**ENERGY POLICY**

## **ENERGY POLICY**

The energy policy of Hindusthan College of Engineering and Technology is to maintain campus clean and green. The goal of energy policy is to consume energy in a convenient manner and usage of energy in all available and environmental safe energy sources in the campus. Everyone is urged to abide this code and contribute to foster positive and supportive atmosphere.

### **OBJECTIVE**

- To ensure the use of renewable resources to meet the needs and aspirations of the present and future generations.
- To integrate environmental concerns into syllabus and programmes through outreach activities.
- To improve the efficient use of all resources, including energy and water, and to reduce consumption and the amount of waste produced, recovering and recycling waste where possible.
- To conduct environmental and energy audits from time to time.
- To minimize the use of paper in administration through having policy for E-governance.
- To educate the students to reduce the usage of energy whenever possible.

### **FOCUS OF THE POLICY**

- Supply of energy to power cords is verified after each class and at the end of the day by students and designated staff.
- Usage of computer and other electronic devices were monitored by the designated staff.
- Students and faculty are made to aware of minimal power consumption.
- Solar and LED lights are replaced whenever possible.

- Solar water heaters are installed in hostel for hot water facilities.
- Ensure the usage of solar panels to its optimum performance.
- The details of energy consumption by electrical system & energy consumption after installation of solar Photo Voltaic (PV) plant are collected. The details of UPS –Inverter & Air conditioning over the campus is collected and updated along with its maintenance report.
- The consumption of LPG as a fuel to generate steam for cooking food at hostel is audited.
- The fuel consumption of transport vehicles is audited.
- Energy conservation certificate obtained after every academic year thorough inspection of enlisted external consulting agency.
