Get The **Best** In Everything

Education | Ethics | Excellence

VISION

To become a premier institution by producing professionals with strong technical knowledge, innovative research skills and high ethical values.

MISSION

- IM1:** To provide academic excellence in technical education through novel teaching methods.
- IM2:** To empower students with creative skills and leadership qualities.
- IM3:** To produce dedicated professionals with social responsibility.

QUALITY POLICY

Hindusthan College of Engineering and Technology (HiCET) aims at providing the best education which will mould the students as the right characters, who will cater to the needs of the society. While providing various inputs for the best education, HiCET constantly thrives upon continual improvement with the utmost commitment for the complete satisfaction of the stakeholder

About Us

Hindusthan College of Engineering and Technology (HiCET) Coimbatore, established in the year 2000 by the great Industrialist and Philanthropist, Kongu Rathinam Thiru.T.S.R.Khannaiyann of Hindusthan Educational Trust whose determination and dynamism made possible the realization of this institution of excellence. Surrounded with nature's pristine beauty and an excellent infrastructure coupled with dedicated and experienced faculty has made the campus a much sought-after abode of learning. HiCET is one of the premier technological institutions inculcating quality and value based education through innovative teaching learning process for holistic development of the Students. The institution is recognized under Section 2(f) and 12B of University Grants Commission (UGC) and is an autonomous institution affiliated to Anna University, Chennai with permanent affiliation for most of the programmes, approved by the AICTE and the Government of India. Accredited by the National Assessment and Accreditation Council (NAAC) with 'A' grade, National Board of Accreditation (NBA).

HiCET conducts seminars and also invites companies to give presentations that will help our students to choose a right career for themselves and has hence contributed to the industry by successfully delivering fresh recruits who have contributed continuously to the growth of the industry by being a part of the top-notch organizations. For all these reasons HiCET has been a preferred institute for recruiting young minds.

Currently, there are around 5000+ students pursuing various Undergraduate programs (B.E./B.Tech.), Postgraduate programs (M.E./M.Tech, MBA & MCA) and Ph.D. research programs in the Institution and are mentored by above 400 well qualified and experienced faculty members. HiCET nurtures future global leaders by imparting knowledge, skills and building attitudes among students to face the world in a fresh, energetic and unrestrictive work environment.

Message

I am happy to announce the release of HiNEWS Newsletter for the EVEN Semester 2018-2019 at Hindusthan College of Engineering and Technology, Coimbatore. This edition reflects the exceptional achievements and contributions of our students and faculty.

My heartfelt appreciation goes to the editorial team for their dedicated efforts in compiling this wonderful publication. HiNEWS showcases the vibrancy and talent within our institution.

Let us take pride in the accomplishments of our academic community and continue to strive for excellence.

Message

I am excited to announce the release of the HiNEWS Newsletter for the EVEN Semester of 2018-2019 at Hindusthan College of Engineering and Technology, Coimbatore. This edition is a celebration of the outstanding achievements, events, and activities that have defined our academic excellence.

I extend my heartfelt appreciation to the editorial team for their unwavering dedication and meticulous efforts in bringing this publication to life. HiNEWS showcases the exceptional talent and commitment of our students and faculty.

As the Principal of this esteemed institution, I take immense pride in the accomplishments of our academic community. This newsletter stands as a testament to our collective pursuit of excellence and continuous growth.

I urge each one of you to read HiNEWS and be inspired by the stories of success and innovation that it encapsulates. Let us take this opportunity to celebrate our achievements and use them as stepping stones to even greater accomplishments.

Wishing you all continued success and a bright future.

Dr. Kannadasan T
Principal

Institutional activities

- MOE's Institution Innovation Council was established in the institution.
- Decentralized the academic and administrative responsibilities for students through various committees and clubs.
- Registered with National Digital Library as member institution
- Industry Partnered Centres
 - ✓ EXAMLY
 - ✓ SKILLRACK
- Received appreciation awards from SAE BAJA.
- Honored with Dronacharya Award by RSTE society.

Academic Innovations, Teaching and Learning

- Regular revision/reorientation/restructuring of curricula
- Course Information sheet, Smart material and question banks are prepared and given to students
- Design Skills, Communication Skills, Entrepreneurial Skills, Information, Processing, Creative, use of media and Innovative Thinking, Leadership Skills,
- Problem solving Projects from industry
- Variety in elective courses, Credit based multilevel.
- Faculty Development Programmes, Faculty incentive for continuing education (CE), consultancy and RD are planned.
- Awards for outstanding research contribution.
- Established MoUs with reputed research institutions at national / International level.
- Undertaking social need based projects / extension activities / tribal / rural / women empowerment related projects.
- Identify and create a pool of leadership among the students and staff.

Research and Development

- Financial assistance given for organizing and participating in activities promoting research.
- MoU signed with different industries, institutions like
 - ✓ Department of CTE, Government of Tamil Nādu.
 - ✓ CREDAI, Coimbatore.
- The proposals received from the faculty members are processed by a committee and then grants are released.
- The project that are innovative and beneficial to the society are encouraged. Research colloquium is constituted and its takes care of the smooth functioning of the research process/activities.
- Economic support is provided to the faculty members in presenting/publishing research articles. 10 patents are published in this academic year.
- 89 research papers are published in good journals.

Faculty Enrichment

- In this academic year more than 96 faculties are provided with financial support to attend conference, workshops, seminars and members in various professional bodies.
- Nearly 18 programs were organized by the institution for faculty development, professional development.
- More than 41 faculties are benefited by attending online FDPs, professional development courses.

Placement and Entrepreneurship

- Placement enhancement training provided through Redhat Academy.
- National Level Awareness Programme (e mode) SAMBHAV on entrepreneurship was jointly organized with MSME.
- 705 students were placed in different industries, MNCs in this academic year. Various seminars, workshops are organized to motivate students to become entrepreneurs.

Extension activities

- Students are actively participated in various Academic and administrative committees to support the institution to maintain the higher level.
- The intra collegiate cultural festival called "Hinspire-18" fully organized and executed well by the students.
- Many kinds of social works, awareness creation programs, supporting village peoples near to the college, cleaning of schools and public places etc., had been carried out by the students.
- Celebrating Teachers' Day and honoring teachers. Their involvement in the activities of the Department, in organizing various Co-curricular and Extra Curricular events, increases their ability to organize, to work with teams and lead thereby enriching their holistic development.
- Class committee meeting, Student are allowed to interact with concern HOD periodically to review teaching learning process.
- Peer group meeting help them to update their Feedback on the Faculty - about their teaching, the knowledge about the subject and in imparting knowledge and evaluation plays an important role in raising the standard of teaching learning process.
- The student are inducted into the Committees like Internal Quality Assurance Cell (IQAC), Internal Complaints Committee, Anti Ragging Committee, Hostel Committee, Sports Committee and Class Review Committee as a representation of Students' community. The students are not only active as members in various committees but also involve in many clubs functioning in the College.
- Student are also take part and organize many programs through their respective Department Associations, which enrich them with the recent developments in their specific domains.
- Blood donation camps and road safety awareness programs conducted through NSS and NCC.

Department of Civil Engineering

On 09.02.2019 Mr. Ranjith, Centre Manager, CADD Centre, Coimbatore gave a session on “Interior Design using SketchUp and 3DS Max” organized by Mr. A. Alex Livingston Raja. The session covered basics of how solid waste was managed and types of solid waste management. Number of participants - 102.

Faculty Achievements

- Dr. K. Akil, presented an interactive session on Aquaponics in Cognizant Technologies Solutions, Coimbatore.
- Ms. T.J.P. Jobeena has done a research work on “Identification of highly degradation microbes from the aerobic compost of kitchen waste mixed with camel dung & identified the bacteria and gene bank accession MK447936 & MK447937” at CBNR.
- Mr. Senthil Kumar R has attended a workshop on “Geotechnical Earthquake Engineering and Geophysical Investigation” at PSG Institute of Technology and Applied Research on 21.03.2019.

Students Achievements

- 67 students have participated in various Co-Curricular and Extra-Curricular activities.
- 20 students have won prizes in various Co-Curricular and Extra-Curricular activities.
- Ms. Raisha Rizan of 2014-2018 has secured the 39th rank in Anna university.
- Ms. S. Jenifar of 2015-2019 has qualified in GATE Exam.

Department of Computer Science and Engineering

I. TECHNICAL PROGRAMMES

1. Seminar on Augmented Reality Technology in Rehabilitation

A Seminar on "Augmented reality technology" was conducted on the 18th of DEC 2018. It was inaugurated by Dr.S.Shankar, Head Of the Department. The main objective of the seminar was to introduce students to Augmented reality

where new technology which blends virtual objects with real scenes in real time and this may be an effective intervention to use in rehabilitation.

The Technology appears not ready for general practical use but the encouraging results support further research. The event was organized by Ms.Syed Ali Fathima.S J,Ph.D Scholar(part time),Department of Computer Science and Engineering.

2.Codeconqr Test

A test was organized on the topic "CODECONQR" which was conducted on 22 DEC 2018, the main theme of the program is to test the students how they are programming ,and using their skills

It was inaugurated by Dr.S.Shankar, Head of the Department CSE.150 students participated in the test. The event was organised by Ms.K.Ramya, Assistant Professor, Department of Computer Science and Engineering.

3.Seminar on Recent Trends On IOT

A Seminar on “Augumented reality technology” was conducted on the 19th of JAN 2019. It was Inaugurated by Dr.S.Shankar, Head Of the Department. The aim of the seminar is to know what are components are used in trending by IOT Personal and Home, Enterprise, Utilities, Mobile.

Internet of Things (IoT) is presently a hot technology worldwide. Government, academia, and industry are involved in different aspects of research, implementation and business with IoT. Today it is possible to envision pervasive connectivity, storage and computation, which, in turn, gives rise to building different IoT solutions.The IoT offering ranges from managed connectivity to devise management and application soGware to any form of analytics. Therefore, it is very important to learn the

Fundamentals of this emerging technology. The Internet of Things has the potential to change the world, just as the Internet did or even more.It was Conducted by Mr.A.Mohammed Ali, Twirltact Technolog Solutions Pvt,Ltd, Coimbatore.

4.One day hands on workshop on Redhat Academy -Linux

A one day hands on workshop was held on 15th DEC 2018.It was handled by Mr.C.V.Mahendiran, business head from Plexus Network Pvt, Ltd. A total of 200 students attended the event.

Students Gain valuable experience with hands-on lab environments about linux, learn Features and benefits in linux, Red Hat Academy turns academic institutions into centers for enterprise-readytalent by outfitting them with Red Hat training and certification.

The students were urged to take up projects of their own to get comfortable with the language. The Workshop ended with Dr. Shankar, HOD CSE delivering the valedictory address.

5. seminar on wsn(Wireless Sensor Networks)

A Seminar on “Augmented reality technology” was conducted on the 31st JAN 2019. It was inaugurated by Dr.S.Shankar, Head Of the Department. the aim of the seminar is to know about the Wireless Sensor Networks, what is the application of WSN and what types are there, and mainly why sensors are used in various places.

A wireless sensor network (WSN) is a computer network consisting of spatially distributed autonomous devices using sensors to cooperatively monitor physical or environmental conditions, such as temperature, sound, vibration, pressure, motion or pollutants, at different locations.

"The purpose of education is to make good human beings with skill and expertise... Enlightened human beings can be created by teachers."

MBA Orientation Programme was conducted on 29.08.2018 for incoming students of batch 2018-2020 to ensure their smooth sync and to familiarize with the institution's facilities, norms and culture; introduce them to student services, semester and examination information. Students also got to learn about the activities of training and placement cell and Entrepreneurship Development Cell.

A Guest Lecture was organized on “Digital Marketing” for II MBA Students on 06.09.2018. The chief guest was Mr.Rathan Roy, Professional Sales Consultant at EMART EVENTURES, Coimbatore. He gave a lecture to the II MBA students on digital marketing and its details.

National Conference on the theme “Business & Technological Trends 2019” was organized on 02.02.2019. The chief guest for the conference was Dr. Guru Selvaraj, General Manager, HR and IR of FLOW LINKS SYSTEM PRIVATE LIMITED, Coimbatore. Around 149 students and 7 faculty members from various colleges participated and presented their papers.

A Workshop on “Healthy Food - No oil No boil” was organized on 29.03.2019. The chief guest for the session was Mr.Padayal Shivakumar - Natural Food Expert & Health Chef and Prof.Bhagavathi Rani, Trainer - Dancing Yoga & Natural nutrient, Coimbatore. They shared their experiences by cooking health foods to lead a healthy lifestyle. Around 85 students and 20 faculty members from our college participated in the session.

An intercollegiate Management Meet HIMAC (Hindusthan Management Carnival) was organized on 09.02.2019 and it was inaugurated by Mr.R.Ravikumar, M/s. ROOTS MULTICLEAN LTD, Coimbatore.

Department of Master of Computer Application

Our department conducted one day Hands-on Training on “The Administration of CISCO Networking Devices “on 09 February 2019. Mr. M. Sowrimalaiyan, Surya Tech Solutions, Coimbatore demonstrated the internal workings of various networking devices and how to configure them in networking.

Department of MCA conducted one day seminar on Amazon Web Services on 23 February 2019. Mr. S. Suresh Kumar , AWS Accredited Instructor of KGiSL, Coimbatore inculcated the new innovative cloud computing technology AWS to our students. Besides, the demonstration helped our students to grasp the technology clearly. on 23 February 2019.

Department of MCA conducted a seminar on Java Technology on 09 December 2018. Mr. Venkatesan, our Alumnus, working in Payoda Technologies shared his experiences in Java with our students.

Department of Science and Humanities

The Department of Science and Humanities conducted Science Day Celebrations (Vihara Elements 2019) on 14/03/2019. Science Day is celebrated to commemorate discovery of the 'Raman Effect', which led to Indian Scientist Sir Chandrasekhara Venkata Raman or CV Raman. In order to motivate the students to excel their talents in the field of Science, it has been conducted every year by the department of Science and Humanities. Students got an opportunity to show their science models and technologies where the best one was rewarded. More than 500 students participated in the fair, the management, Principal and authorities appreciated the student's calibre. Best models were awarded with cash prize. The programme was inaugurated by our eminent Advisor Dr. S. Annadurai. All the faculty members, Hods and students of various departments were invited to attend the programme. The Head of the Department of Science and Humanities welcomed all the gathering and delivered a speech on importance of celebrating Science Day and she thanked the students for their performance and participation in the event Dr. S. Balamurali Dept. of Physics coordinator of the programme delivered vote of thanks. The science day is being celebrated with great enthusiasm and passion by the students. The programme was successful with the hard work of students' volunteers, team members as well as students and faculty community. It was a real platform for the students to make their career bright in the scientific profession.

As per the quote, International Women's Day was celebrated on 8th March of 2019. As a part of this management and faculties from various departments shared their views and wishes to all the women faculty and girl students of the college. In order to cherish the day, a special guest lecture was given by Dr. R. Radhika, Senior Assistant Professor at Coimbatore Medical College.

A women is a symbol of love God's finest and beautiful creation this is what we celebrate womens day each and every year. In order to motivate and create awareness among all girl students we celebrate this day on March 8th every year.

The programme began with an invocation- seeking god's blessings through a prayer song. The Head of Department of Science and Humanities welcomed all the girl students and faculty members from various departments. Our Principal Dr. K. Kannadasan felicitated all the female community on the day and he highlighted the importance of women. Dr. S. Annadurai, our advisor felicitated all the girl students and lady faculty members on this special occasion.

Dr. R. Radhika, Senior Assistant Professor at Coimbatore Medical College was invited as chief guest for this programme. In her address she appreciated and motivated the girl students. She highlighted the qualities of women and advised the girl students to know their moral values and their health. Vote of Thanks was delivered by Prof. A. Narmadha dept. of Mathematics. this training programme was organized by the company.
