**HICET/COE/OE/OCT 2019**

**Date :18.10.2019**

**CIRCULAR**

The following elective courses are proposed by various departments to offer in the forth coming even semester for UG programmes.

UG PROGRAMMES	
AERO	16AE6401-INTRODUCTION TO FLIGHT ✓
AUTO	16AU6401-BASIS OF AUTOMOBILE ENGINEERING
CIVIL	16CE6401-BUILDING SERVICES
CSE	16CS6401-PROGRAMMING LANGUAGES
ECE	16EC6401-CONSUMER ELECTRONICS
EIE	16EI6401-NEURAL NETWORKS AND FUZZY SYSTEMS
EEE	16EE6401-INDUSTRIAL AUTOMATION – PLC AND SCADA
IT	16IT6401-CYBER SECURITY AND FORENSICS
MECH	16ME6401- RAPID PROTOTYPING AND LEAN MANUFACTURING
MECHTS	16MT6401-INDUSTRIAL SAFETY AND ENVIRONMENT

In this connection it is informed to follow the following guidelines.

- Open elective is offered only for other department students.
- A registration form should be issued to all students in the last working day of the previous semester and 10days time should be given to submit the filled forms.
- The students have to give 3options for the open elective courses.
- An open elective will be offered to students provided the registered student strength is more than 35 and restricted to a maximum of 60 students. (Sections should not exceed the sanctioned intake of respective department)
- If sufficient strength is not there for a particular open elective course then the HOD will re-distribute the students to 2<sup>nd</sup> and 3<sup>rd</sup> options.
