HINDUSTHAN KRAFT KREATIONS - HIKRA
ABOUT MANDALA ART

Intricate Composition created on a base of a Circle is known as MANDALA.

Drawing a Mandala is used as an Exercise or for Meditation.

Mandalas have one identifiable center point, from which emanates an array of symbols, shapes and forms.

In essence, mandalas represent the connection between our inner worlds and outer reality.

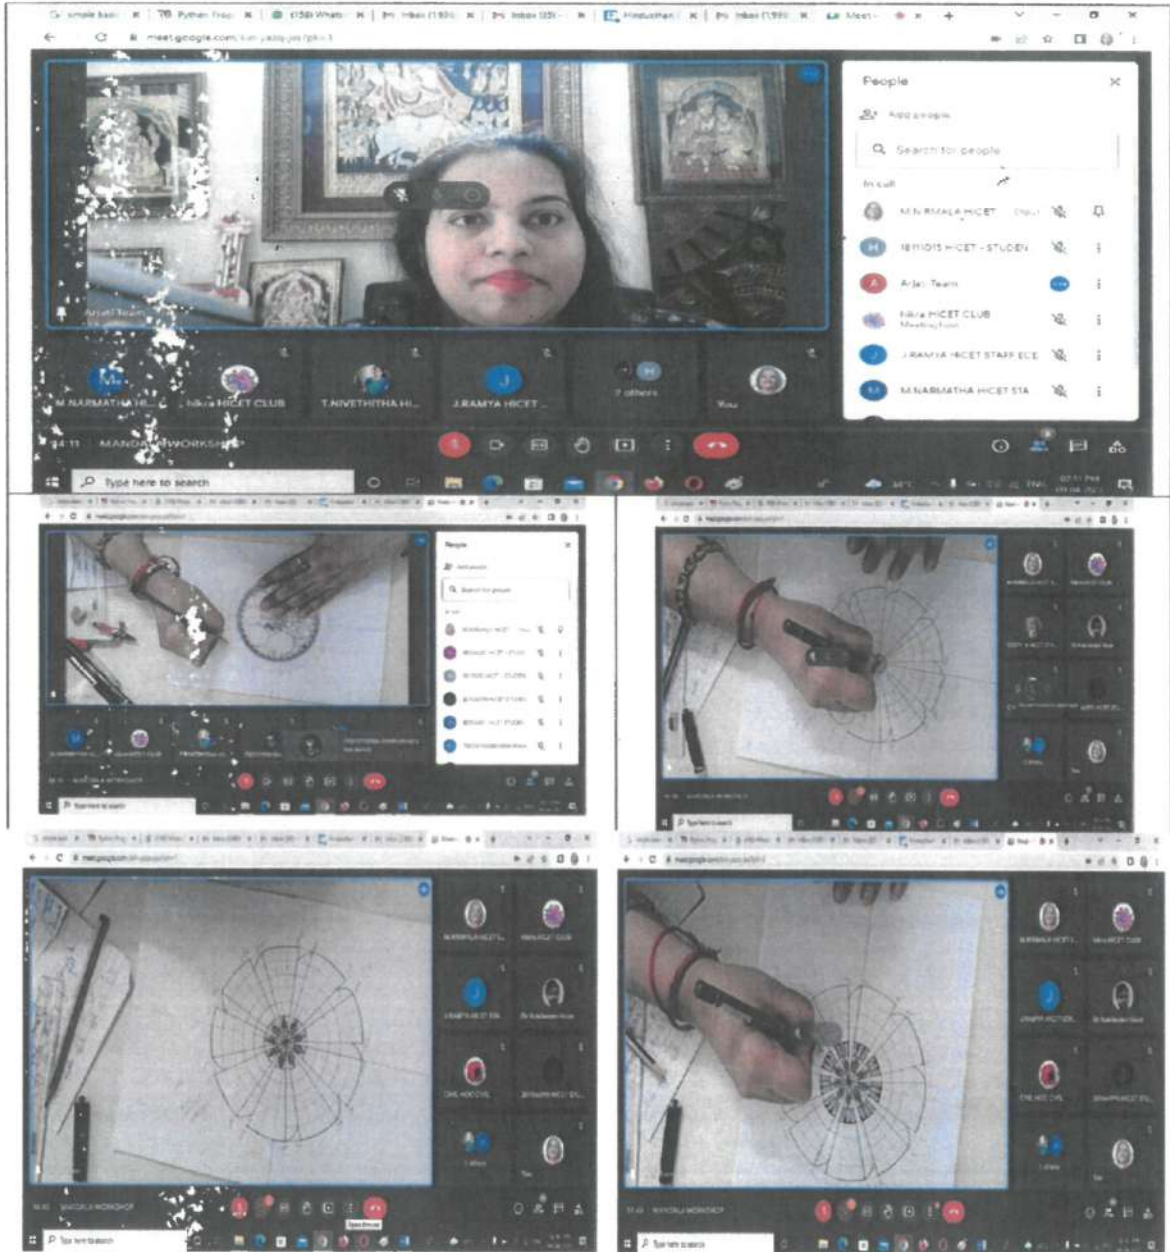

Designing your own mandalas can be both Inspirational and Therapeutic.

Report on the Event

On the eve of 75th Azadi Ka Amrit Mahotsav, Drawing and Painting Club in Association with Celebration Committee of Hindusthan College of Engineering and Technology organised a Drawing and Painting Competition on the theme of Patriotism for all department students on 11.08.2022 at Tagore Auditorium. Students from various department actively participated in the competition and exhibited their talents by drawing and painting. Students portrayed their patriotism and passion for their nation with tricolour paintings and pencil sketch arts. Colourful painting and sketches given by the students were adorable.
