1. Academic Year 2020-2021 Attendance Reg:

Case No 1: Students from remote area and hilly region are facing network issues, quite often. Because of this, it is tough for them to attain maximum attendance percentage.

Remedy

- Five marks for the attendance component (as per regulations 2016&2019) can be awarded in the Continuous Internal Assessment to all the students irrespective of the percentage of attendance they have secured through online.
- The above decision has to be followed one time measure due to COVID-19 and Natural Calamities and it will be ratified in the forthcoming Academic semester.

2. College fees Reg.

Case No 2: Due to the pandemic situation, some students and parents came up with the request to extend the time for paying the college fees.

Remedy: To support the students and parents, the management instructed them to pay the fees as per their convenience.

3. Hostel Fees & Hostel Vacation reg.

Case No 3: Due to the pandemic situation, most of the students are not able to pay their previous academic year hostel fees.

Remedy: Students those who are not able to pay their hostel fees are excused to pay the amount in the upcoming semesters.

4. Getting Provisional certificate reg.

Case No 4 : Final year students came up with the issue that they are not getting their provisional certificate on time.

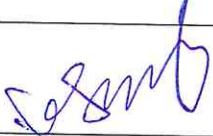

Remedy: The information has been forwarded to COE, and they ensured that they will speed up the process in upcoming days.
