ACADEMIC COUNCIL MEETING MINUTES (19.12.2024)

The 15th Academic Council Meeting was held on 19.12.2024 at 02.30 pm in the IQAC Board Room. The Principal convened the meeting.

The Principal, Dean (Academics), The Chairman of the Board of Studies of all the programmes and the members of the Academic Council attended the meeting in offline and online using Google Meet Link: <https://meet.google.com/utg-dgac-wwh> and discussed the following points.

1. The Chairperson of the Academic Council welcomed the university nominees and the members.
2. The Chairperson briefed the members about the institution's growth since its inception in 2000, and highlighting various achievements in the AY:2024-2025
 - ❖ The UG Engineering programmes AGRI, AERO, AUTO, CIVIL, CSE, ECE, EEE, FOOD, IT, MECH, MCT and PG programmes MBA & MCA gone for the accreditation successfully in the AY 2024-2025.
 - ❖ NIRF 2020-2024 ranking
 - a) Innovation category: 11 – 50 band
 - b) Engineering category: 201-300 band.
 - ❖ AU recognised research centre : 14
 - ❖ NAAC accredited A++ , Grade 3.69 / 4
 - ❖ NSIIR – National ranking 4th position in top 5 ranks.
 - ❖ ABP Live's B-Schools Ranking 2024 by the Indian Institutional Ranking Framework.
 - ❖ The Week – Hansa Research Survey Best College Ranking 2024:
All India Rank: 109
Private College Rank: 83

❖ IIRF Engineering Ranking Survey:

All India Rank: 170

Rank 6 in the Top Leading Engineering Colleges of Super Excellence in India (2024 CSR Rankings).

3. The Chairperson highlighted the institution's achievements and recognitions at both faculty and student levels, along with the technical training provided to students by industries.
4. The Chairperson also informed about the MoU signed, FDP conducted, Research Incentives, Funded Proposals submitted during the AY: 2024-2025.
5. The Dean (Academics) elaborate the previous Academic Council Meeting (21.06.2024) – Action Taken Report and same has been reviewed and appreciated by the Academic Council members.

The results passed in the result passing board in the above-mentioned dates have been approved.

07. The Dean (Academics) requested The Chairman, BoS of various programmes to move the curriculum and syllabi for the approval of the Academic Council.
08. The Board of Studies of the Department of Science and Humanities recommended the updated curriculum of the Regulation 2022 for I to IV semesters, the updated syllabus for the II Semester (AY 2024-2025) and IV semester Mathematics (AY 2024-2025) for all the branches under Regulation 2022, for which the Standing Committee recommends and I, Dr K P Uma move
 - i. The updated curriculum of the Regulation 2022 for II Semesters, IV Semester –Mathematics.

- ii. The updated syllabus of the Regulation 2022 for the II Semester Courses for the students admitted in 2024-25 & Syllabus for the fourth semester Mathematics courses of Regulation 2022 for the students admitted in 2023 -2024.
- iii. Be in effect for students admitted in the year 2023, 2024 onwards.
- iv. The updated Curriculum and syllabus as in Annexure- I (2023, 2024) & for approval.
- v. Syllabus for Indian Constitution – IV semester
- vi. Syllabus for Professional Ethics – VI semester
- vii. Syllabus for Environmental Science and Engineering for VI semester – CSE, IT & AIML.

Dr V T Gopinathan seconded the motion and the above items have been approved.

09. The Board of Studies of the Department of Aeronautical Engineering has proposed updates to the curriculum for all semesters, including the syllabus for the Second, Fourth and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.E. Aeronautical Engineering Degree programme for the academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr. V T Gopinathan move

- i. The updated syllabus for the Fourth semester and syllabus for the Sixth semester Newly introduced courses, as well as Honours and Minor degree courses under the 2022 regulations.
- ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the regulation 2019 with amendments.
- iii. The detailed curriculum and syllabus, outlined in Annexure II (Be effective for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

Dr C Sabarinathan seconded the motion and the above items have been approved.

10. The Board of Studies of the Automobile Engineering has proposed updates to the curriculum for all semesters, including the syllabus for the Fourth

and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.E. Automobile Engineering Degree programme for the academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr. C Sabarinathan move

- i. The updated syllabus for the Fourth semester and syllabus for the Sixth semester courses, as well as Honours and Minor degree courses under the 2022 regulations.
- ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the regulation 2019 with amendments.
- iii. The detailed curriculum and syllabus, outlined in Annexure III (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

Dr K Akil seconded the motion and the above items have been approved.

11. The Board of Studies of the Civil Engineering has proposed updates to the curriculum for all semesters, including the syllabus for the Fourth and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.E. Civil Engineering Degree programme for the Even Semester (Academic Year 2024 – 2025) for which the Standing Committee recommends and I, Dr. K. Akil move
 - i. The updated syllabus for the Fourth semester and syllabus for the Sixth semester New courses, as well as Honours and Minor degree courses under the 2022 regulations.
 - ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the regulation 2019 with amendments..
 - iii. The detailed curriculum and syllabus, outlined in Annexure IV (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

Dr S Shankar seconded the motion and the above items have been approved.

12. The Board of Studies of the Computer Science and Engineering has proposed updates to the curriculum for all semesters, including the syllabus for the second, Fourth and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester regulation 2019 with amendments offered by the B.E. Computer Science and Engineering Degree programme for the academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr S Shankar move
 - i. The updated syllabus for the second semester, Fourth semester and syllabus for the Sixth semester Newly introduced courses, as well as Honours and Minor degree courses under the 2022 regulations.
 - ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the regulation 2019 with amendments.
 - iii. The detailed curriculum and syllabus, outlined in Annexure V (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.
13. The Board of Studies of the Computer Science and Engineering (Cyber Security) has proposed updates to the curriculum for I&II semesters, including the syllabus for the second semester courses under the regulation 2022 offered by the B.E. Computer Science and Engineering (Cyber Security) Degree programme for the academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr S Shankar move
 - i. The updated syllabus for the Second semester under the 2022 regulations.
 - ii. The detailed curriculum and syllabus, outlined in Annexure VI (for the students admitted in 2024 is submitted for approval.
14. The Board of Studies of the Department of Computer Science and Engineering recommended the Curriculum and Syllabus for II Semester courses offered by the M.E. Computer Science and Engineering Degree

programme for the academic year 2024 – 2025 under Regulation 2024 for which the Standing Committee recommends and I, Dr S Shankar move

- i. Be in effect for students admitted in the year 2024 onwards.
- ii. The Curriculum and Syllabus for II semesters courses of Regulation 2024 as in Annexure V (2024) for approval.

15. The Board of Studies of the Artificial Intelligence and Machine learning has proposed updates to the curriculum for all semesters, including the syllabus for the Second, Fourth and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.TECH. Artificial Intelligence and Machine learning Degree programme for the academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr R Vidhya move

- i. The updated syllabus for the Fourth semester and syllabus for the Sixth semester newly introduced courses, as well as Honours and Minor degree courses under the 2022 regulations.
- ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the regulation 2019 with amendments.
- iii. The detailed curriculum and syllabus, outlined in Annexure VII (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

Dr N P Ananthamoorthy seconded the motion and the above items have been approved.

16. The Board of Studies of the Electrical and Electronics Engineering has proposed updates to the curriculum for all semesters, including the syllabus for the Second, Fourth and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.E. Electrical and Electronics Engineering Degree programme for the

academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr. N. P Ananthamoorthy move

- i. The updated syllabus for the Second semester, Fourth semester and syllabus for the Sixth semester New courses, as well as Honours and Minor degree courses under the 2022 regulations.
- ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the regulation 2019 with amendments.
- iii. The detailed curriculum and syllabus, outlined in Annexure VIII (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

17. The Board of Studies of the Department of Electrical and Electronics Engineering recommended the Curriculum and Syllabus for II Semester courses offered by the M.E. Embedded Systems Degree programme for the academic year 2024 – 2025 under Regulation 2024 for which the Standing Committee recommends and I, Dr. N. P Ananthamoorthy move

- i. Be in effect for students admitted in the year 2024 onwards.
- ii. The Curriculum and Syllabus for II semester courses of Regulation 2024 as in Annexure VIII (2024) for approval.

Dr P Vijayalakshmi seconded the motion and the above items have been approved.

18. The Board of Studies of the Electronics and Communication Engineering has proposed updates to the curriculum for all semesters, including the syllabus for the Second, Fourth, Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.E. Electronics and Communication Engineering Degree programme for the academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr P.Vijayalakshmi move

- i. The updated syllabus for the Second semester , Fourth and syllabus for the Sixth semester New courses, as well as Honours and Minor degree courses under the 2022 regulations.

- ii. The updated syllabus for the Eighth semester, as well as Minor, Honor degree courses under the regulation 2019 with amendments.
- iii. The detailed curriculum and syllabus, outlined in Annexure IX (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

19. The Board of Studies of the Department of Electronics and Communication Engineering recommended the updated Curriculum and Syllabus for II Semesters courses offered by the M.E. Communication Systems Degree programme for the academic year 2024 under Regulation 2024 for which the Standing Committee recommends and I, Dr P Vijayalakshmi move

- i. Be in effect for students admitted in the year 2024 onwards.
- ii. The updated Curriculum and Syllabus for I & III semesters courses of Regulation 2024 as in Annexure IX (2024) for approval.

Dr B Anand seconded the motion and the above items have been approved

20. The Board of Studies of the Electronics and Instrumentation Engineering has proposed updates to the curriculum for all semesters, including the syllabus for the Second, Fourth and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.E. Electronics and Instrumentation Engineering Degree programme for the Even Semester (Academic Year 2024 – 2025) for which the Standing Committee recommends and I, Dr. B. Anand move

- i. The updated syllabus for the Second semester and syllabus for the Sixth semester New courses, as well as Honours and Minor degree courses under the 2022 regulations.
- ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the Regulation 2019 with amendments.
- iii. The detailed curriculum and syllabus, outlined in Annexure X (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

Dr K Siva seconded the motion and the above items have been approved.

21. The Board of Studies of the Mechanical Engineering has proposed updates to the curriculum for all semesters, including the syllabus for the Second, Fourth and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.E. Mechanical Engineering Degree programme for the academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr. K.Siva move

- i. The updated syllabus for the Second, Fourth semester and syllabus for the Sixth semester New courses, as well as Honours and Minor degree courses under the 2022 regulations.
- ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the regulation 2019 with amendments.
- iii. The detailed curriculum and syllabus, outlined in Annexure XI (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

22. The Board of Studies of the Department of Mechanical Engineering recommended the Curriculum and Syllabus for II Semester courses offered by the M.E. CAD/CAM Degree programme for the academic year 2024 under Regulation 2024 for which the Standing Committee recommends and I, Dr. K. Siva move

- i. The updated Curriculum and Syllabus for II semesters courses of Regulation 2024.
- ii. Be in effect for students admitted in the year 2024 onwards.
- iii. The Curriculum and Syllabus for II semester courses of Regulation 2024 as in Annexure- XI (2024) for approval.

Dr P T Saravanakumar seconded the motion and the above items have been approved.

23. The Board of Studies of the Mechatronics Engineering has proposed updates to the curriculum for all semesters, including the syllabus for the Second, Fourth and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019

with amendments offered by the B.E. Mechatronics Engineering Degree programme for the Even Semester (Academic Year 2024 – 2025) for which the Standing Committee recommends and I, Dr P T Saravanakumar move

- i. The updated syllabus for the Second semester, Fourth semester and syllabus for the Sixth semester New introduced courses, as well as Honours and Minor degree courses under the 2022 regulations.
- ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the regulation 2019 with amendments.
- iii. The detailed curriculum and syllabus, outlined in Annexure XII (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

Dr N Sridhar seconded the motion and the above items have been approved.

24. The Board of Studies of the Agricultural Engineering has proposed updates to the curriculum for all semesters, including the syllabus for the Second, Fourth and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.TECH. Agricultural Engineering Degree programme for the academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr N Sridhar move

- i. The updated syllabus for the Second semester, Fourth semester and syllabus for the Sixth semester Newly introduced courses, as well as Honours and Minor degree courses under the 2022 regulations.
- ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the regulation 2019 with amendments.
- iii. The detailed curriculum and syllabus, outlined in Annexure XIII (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

Dr M.Sabarigiriraj seconded the motion and the above items have been approved.

25. The Board of Studies of the Information Technology has proposed updates to the curriculum for all semesters, including the syllabus for the Second, Fourth and Sixth semesters, as well as Honours and Minor degree courses

under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.TECH. Information Technology Degree programme for the academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr. M.Sabarigiriraj move

- i. The updated syllabus for the Second semester, Fourth semester and syllabus for the Sixth semester New courses, as well as Honours and Minor degree courses under the 2022 regulations.
- ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the regulation 2019 with amendments.
- iii. The detailed curriculum and syllabus, outlined in Annexure XIV (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

Dr S Saravanasundaram seconded the motion and the above items have been approved.

26. The Board of Studies of the Biomedical Engineering has proposed updates to the curriculum for all semesters, including the syllabus for the Fourth and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.E. Biomedical Engineering Degree programme for the academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr S. Saravanasundaram move

- i. The updated syllabus for the Fourth semester and syllabus for the Sixth semester New courses, as well as Honours and Minor degree courses under the 2022 regulations.
- ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the regulation 2019 with amendments.
- iii. The detailed curriculum and syllabus, outlined in Annexure XV (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

Dr G Jeevarathinam seconded the motion and the above items have been approved.

27. The Board of Studies of the Food Technology has proposed updates to the curriculum for all semesters, including the syllabus for the Fourth and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.TECH. Food Technology Degree programme for the academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr G Jeevarathinam move

- i. The updated syllabus for the Fourth semester and syllabus for the Sixth semester new courses, as well as Honours and Minor degree courses under the 2022 regulations.
- ii. The updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under the regulation 2019 with amendments.
- iii. The detailed curriculum and syllabus, outlined in Annexure XVI (for the students admitted in 2021, 2022, 2023 & 2024), are submitted for approval.

Dr R Palani seconded the motion and the above items have been approved.

28. The Board of Studies of the Chemical Engineering has proposed updates to the curriculum for all semesters, including the syllabus for the Second, Fourth and Sixth semesters, as well as Honours and Minor degree courses under the 2022 regulations and the updated syllabus for the Eighth semester, as well as Minor and Honour degree courses under regulation 2019 with amendments offered by the B.TECH. Chemical Engineering Degree programme for the academic year 2024 – 2025 for which the Standing Committee recommends and I, Dr. R. Palani move

General Suggestions and comments are made by the members of the Board.

31. The University Nominee, Dr. A. Baraniraj, suggested that a multidisciplinary approach is needed for all Programmes and the students should be encouraged to do the interdisciplinary projects.
32. The Dean (Academics) presented the proposal from the Standing Committee Meeting (SCM), which suggested that “both undergraduate (UG) and Post graduate (PG) students from all disciplines convert their final-year projects into Scopus, SCI, or SCIE-indexed publications, conference proceedings, journal articles, or patent publications”, for the kind consideration of the Academic Council Members.
- The proposal was reviewed by the Academic Council Members (ACM), the University nominee, Dr. A. Baraniraj, and the academic expert, Dr. M. Senthilkumar, who recommended its implementation, ensuring that it does not Compromise the student’s graduation timeline or the quality of the publications.
33. The University nominee, Dr. A. Meena Kowshalya, recommended that the Sustainable Development Goals should be mapped to the syllabus, similar to CO-PO mapping.
34. The University nominee, Dr. A. Meena Kowshalya also inquired how NPTEL and MOOC courses are selected in place of PEC or OE courses. She suggested the mapping of the online MOOC platform courses with the existing curriculum courses should be done and the same has to be approved by the committee. This will validate the Credit Transfer system and ensure the proper utilization of course drop facility given in the Regulation 2022.
35. The University nominee, Dr. A. Meena Kowshalya suggested to include additional credit courses up to 10 credits over and above the passing credits of MBA programme under Regulation 2024.

36. The Chairperson of the Academic Council has replied to the queries raised by the academic council members.
37. The feedback on the curriculum from the curriculum development council and stakeholders (Students, Alumni, Parents and Industry experts) were reviewed.

The meeting was concluded with a vote of thanks.
