

**HINDUSTHAN COLLEGE OF ENGINEERING  
AND TECHNOLOGY**

**Report of  
GLOBAL IMMERSION PROGRAM  
IEG CAMPUS, KUALA LUMPUR, MALAYSIA**

## **I.OVERVIEW OF GLOBAL IMMERSION PROGRAM**

The global immersion program was a brief and amazing educational trip with lots of fun filled experience. Were 36 students of MBA and 47 students from various department of Hindustan college of Engineering and Technology also 11 students from Hindusthan Institute of Engineering and Technology along with 4 faculty members took part in the Global Immersion Program. This was held at Malaysia for the duration of 7 days starting from 21st January 2023 to 27th January 2023.

Everything was planned and scheduled with the help of our management and Go Vacations travel agency. Also an agency member traveled along with us and as per the schedule things went on well and on time.

As it was an educational trip for both Management and Engineering students, Our Institution had signed an MOU with popular universities in Malaysia. In which we had a chance to visit IEG Campus located in Kuala Lumpur. There are students from 18 countries are educated through their digitalized campus facility.

On this day we are scheduled to report to the IEG Campus, Kuala Lumpur.

## **2.About IEG Campus**

IEG Campus is a fully digitalized campus with lots of facilities like Free wifi, Air conditioned class rooms, Modern Library. There our students of both Management and Engineering had sessions taken by professors from different universities. Also we had guest speakers who shared their piece of knowledge with our students.

Management and Engineering students had common sessions and as well as separate sessions related to their subjects.

### **Session 1**

Topic: Leadership

By: Mr. Sam Sunguna Singam

It was a common program for both Management and Engineering students. Mr. Sam Sunguna Singam shared 9 leadership styles with examples which was very easy to understand, his session was loaded with knowledge and fun.

## **Guest talk**

Mr.B.N.Reddy
