We have around 250+ well qualified and experienced faculty members. HICET nurtures future global leaders by imparting knowledge, skills and building attitudes among students to face the world in a fresh, energetic and unrestrictive work environment.

ORGANIZING DEPARTMENT:

The Department of Information Technology was established in the year 2002 and presently it has an intake capacity of 120 students. With its dedicated team of qualified and experienced faculty, the department's vision is to create globally competent manpower for the Information and Communication Technology (ICT) industry. The department is permanently affiliated to Anna University, Chennai and accredited by NBA. The department has received research grants from various funding agencies like AICTE, ISRO, ICMR, CSIR, DST, DRDO, IEI, TNSCST to imbibe students with research projects and hosting conferences, technical events that brings together experts and delegates from leading institutes and industries. In order to cope with the global requirements, the department provides Centre of Excellence by establishing an IoT

integrated laboratory, Networking in collaboration with CISCO, ORACLE, Linux and Open Source, Cloud Computing and Robotic Process Automation in association with Red Hat Academy. The department is functioning with Professional bodies like IEI and CSI student's chapters. IBM Career Education collaborates with our department to offer integrated courses by IBM professionals to launch specialization tracks under B Tech IT Data Science.

DEPARTMENT VISION:

To develop IT Professionals of the best caliber with entrepreneurship zeal.

DEPARTMENT MISSION:

- To establish a best learning environment that helps the students to face the challenges of Information Technology field.
- To enable students, develop skills to solve technical problems and also endorse collaborative and multidisciplinary activities through curricular, co-curricular and extra-curricular activities.
- To increase the visibility of academic programs at all level and fascinate talent to meet entrepreneurship skills

ABOUT RAJIV GANDHI NATIONAL INSTITUTE OF YOUTH DEVELOPMENT:

The Rajiv Gandhi National Institute of Youth Development (RGNIYD), Sriperumbudur, Tamil Nadu, is an Institution of National Importance by the Act of Parliament No. 35/2012 under the Ministry of Youth Affairs & Sports, Government of India. The RGNIYD was set up in 1993 under the Societies Registration Act, XXVII of 1975. The RGNIYD functions as a vital resource centre with its multi-faceted functions of offering academic programmes at Post Graduate level encompassing various dimensions of youth development, engaging in seminal research in the vital areas of youth development and coordinating Training

Programmes for state agencies and the officials of youth organisation, besides the Extension and Outreach initiatives across the country. The Institute functions as a think-tank of the Ministry and premier organization of youth-related activities in the country. The RGNIYD serves as a youth observatory and depositary in the country thereby embarking on youth surveillance on youth-related issues. It has a wide network with various organizations working for the welfare and development of young people and serves as a mentor.

ABOUT THE PROGRAM:

Skills and knowledge development are the driving forces behind the financial growth and community development of a country. Skill building is a powerful tool to empower individuals and improve their social acceptance. It must be complemented by economic growth and employment opportunities to meet the rising aspirations of youth. The challenge lies not only in a huge quantitative expansion of facilities for skill training, but also in raising their quality. To enhance the employability skills of underprivileged graduating students, HICET is collaborating with RGNIYD to launch this Program titled 'DEVELOPING EMPLOYABILITY SKILLS AMONG YOUNG GRADUATES' under Youth Led Sustainable Development Programme (YLSDP) in Higher Educational Institutions to train graduating students across the country.

PROGRAM OUTCOME:

The outcome of the Program may,

- Making the Students to Learn, Practice, and Implement Behaviour Change and Related Attitudes to Enhance Personal Efficiency and Performance at the Workplace.
- Support to the development and implementation of an action plan on skills for employability.
- Helps to build Strength, Teamwork Spirit, and Self Confidence among the Young Mind.
