

DEAN OF STUDENTS AFFAIRS

“ The whole point is to Discipline the Mind.” – Swami Vivekananda

“ Discipline decides the future of students who would contribute towards nation-building.” - Dr A P J Abdul Kalam.

Welcome to our Hindusthan College of Engineering and Technology, Coimbatore.

As Dean of Student Affairs, I work to foster a positive and safe environment for our students and to promote the culture of respect and inclusion. I strive to ensure that students are able to express their ideas, opinions, and concerns in a safe and respectful manner. I will also work closely with faculty, staff, and other administrators to create a rich learning environment where students can thrive.

- The Dean of Student Affairs in an institution is responsible for ensuring student success through leading with the resources and support necessary from a key position.
- Also, serve as an advocate for students facing challenges to their success and create policies that impact each student's experience.
- Strive to create an environment where students feel safe and supported and foster an inclusive and welcoming campus community.
- The Dean of Student Affairs will also work closely with faculty and administrators to ensure that all students have the resources and support they need, to be successful in their academic pursuits.
- Ensure compliance with university and college policies and regulations while providing a safe and supportive environment for students.
- The Dean of Student Affairs works to advocate, support, and develop students as they navigate their time at the Hindusthan College of Engineering and Technology.
- Create and offer educational and leadership experiences that help students thrive in a communal environment.
- Actively engage in conversations that promote compassionate, welcoming, and safe campus communities. In addition to these core principles, serves as an advocate for students facing challenges to their success as students and works to empower students to know and understand their rights and responsibilities as members of our community.
- Handling various aspects related to student development, including academics, extracurricular activities, and personal growth.
- A part of Student Health & Wellness, the Dean Student Affairs office identifies and addresses student concerns and crises.
- Some students will face obstacles along the path toward their academic goals, such as personal distress, anxiety, depression, family emergencies, health issues and more. There are excellent support services on campus to assist students, to get them back on track toward their goals.

The Dean of Student Affairs office can assist students one-on-one by identifying the appropriate campus resources to help them best.

- ❖ To Ensure that students have enough resources that they needed to succeed academically and personally, including access to scholarships, internships, and other educational opportunities.
- ❖ To Enhance the college' s commitment to diversity and inclusion and will advocate for students from all backgrounds and perspectives.
- ❖ Provide guidance for student organizations and will strive to ensure that the college' s student activities are safe and meaningful.
- ❖ Finally, the Dean of Student Affairs will be visible and approachable, making sure that students have a direct line of communication for any issues or concerns that they may have. By working with faculty, staff, and students, Ensure that our Institution continues to foster an environment that is both academically and socially enriching for all. And create a safe and welcoming campus community and empower students to reach their full potential. Ultimately, the Dean of Student Affairs is the face of the college and is responsible for creating an environment where students can flourish and grow.
