

EEE NEWSLETTER

HOD'S DESK

I am glad to greet all the Faculty and students who have taken immense effort in organizing and conducting various events. I encourage you all to do more in the fore coming months of this academic year. The co ordination of students in various activities is to be appreciated. I would encourage faculty to publish more number of papers in journals and funding proposals.

DEPARTMENT VISION

To become a Centre of Excellence in Electrical and Electronics Engineering, in every facet of Engineering Education

DEPARTMENT MISSION

Provide a solid foundation in basic science, mathematics and engineering fundamentals enhancing the student's capability to identify, formulate, analyze and develop solutions for Engineering problems.

Create an ambiance for the students to develop and flourish their technical skills, design knowledge and innovative ideas to address the environmental issues and sustainable development of the society.

Inculcate moral values and leadership qualities to meet the challenges of life with courage and confidence
