

## **DEPARTMENT OF FOOD TECHNOLOGY**

### **DEPARTMENT ADVISORY COMMITTEE (DAC)**

#### **Roles and Responsibilities**

The Department Advisory Committee interacts and maintains liaison with key stakeholders.

- The Department Advisory Committee is chaired by HOD who receives the report of the Department Advisory Committee and monitors the progress of the program.
- Introduce best practices/systems for attainment of PEO's.
- Redefine existing PEO's (as and when felt necessary), aligning of PEO's to the mission statements and defining program specific outcomes.
- Assess and suggest improvement in all the academic activities in the department including offering open elective, Professional Elective courses and Fast track courses and so on.
- DAC develops and recommends new or revised goals and objectives of the program.
- The committee also reviews and analyzes the gap between curriculum and Industry requirement and gives necessary feedback or advice actions.
- Constantly monitor the skill sets among current students and propose necessary action plan for skill development through technical and soft skills training.
- The committee suggests the courses to the students to be added in the curriculum and monitor the outcome of the courses.
- Monitoring NPTEL / MOOC courses.
- Validating the usage of appropriate Blooms Taxonomy and Cos in the Internal Examination Question Paper.
