Message from the Director's Desk

I am very pleased to see the Department of Management Science having completed fourteen years of its existence. We have been awarded the autonomous status by AICTE and Anna University in July 2016. Second batch of students of Autonomous College are getting their degrees successfully.

We are continuing to grow with a committed vision to develop students in leadership capabilities and business oriented learning for success in managerial or entrepreneurial ventures with social responsibility.

In our campus, students are expected to have an enriching experience which will enable them to reach new heights in their professional life. We foster sharpening of skills and enhancement of knowledge base in our students through various extra-curricular, co-curricular and curricular activities.

With very congenial and professional environment, our faculty team makes substantial contribution to the academia through quality teaching, seminars, conferences, etc

I appreciate all the faculty members and student friends for taking part in all the programs and activities in the academic year 2019 – 2020.

I also wish our outgoing MBA students the very best in their career and to make significant contributions to the industry in the course of their career or emerge as successful entrepreneurs.

Testimonials of MBA 2019-21 Batch

ROSHINI ROY : I flaunt to place on record the delightful years which I had under the auspices of MBA department at Hindustan College Of Engineering and Technology. While undergoing my post graduation in HICET , I cherished the feeling of studying at an institute , which focused on all endeavors in career enhancements along with a seamless mix of engulfed academics. I would always be grateful to HICET for offering me such a significant learning experience by providing the apt mix of academics, industry exposure and other opportunities.

INDHUMATHI KP : Hindusthan college of Engineering and technology is one of the most sought after engineering Institutions in Tamil Nadu, reputed for its highly qualified and experienced faculty and excellent infrastructural facilities for curricular and extra curricular activities, the University has maintained an enviable academic excellence right from its inception. An MBA at Hindustan is not just about getting a degree. It is about standing at the cross roads of innovation and leadership, geared with the power of change to move in the right direction. I have really seen this strong lines here. Our MBA Programme is structured with the active involvement of industry experts which makes the curriculum relevant to the needs of the industry.

SHREEHARI : HICET campus infrastructure provides with a peaceful environment to concentrate on the studies. The campus has an aesthetic sense which helped me to develop my creative capacities and thoughts to the optimum level. This MBA programme provided me with certain skills that helped me to cop up in this competitive world and also to accelerate my communication and problem solving skills and above all expertising my decision making capabilities and enhance potential in every aspects.

KRISHNAPRIYA : Hindusthan College of engineering and Technology Possess ASSOCHAM Edushine Excellence Award among most preferred engineering institution of the year 2019. Our department has fully furnished Laboratories with modern equipment. MBA is one of the best department in our college which provides an excellent & quality education in building student potential in different business careers. We have a good Placement training for students in improving their communication skills & Knowledge. The faculties in our department is well qualified and experienced and also very interactive with students to train them according to their ability.

PRAMITH C : Hicet is providing a conducive environment for education with a strong emphasis on innovation, quality, research and strategic partnership blended with values and commitment to society. Hindusthan college of engineering and technology gives this ambitious words as truthful. MBA program is tailored meticulously keeping in mind the industry dynamics and the ever changing economic scenario. MBA in HICET feels really very good and conducting regular Personality Development Programs (Goal Orientations, Team Building, Stress Management, Creativity and Innovation, Behavioral modifications). Pleasant to study in HICET.

ARUN GEORGE : Hindusthan College of Engineering and Technology is designed for experienced Professionals with ambition and drive, who wish to develop their responsible and sustainable leadership skills. Students will gain a holistic strategic business perspective required to operate efficiently in an increasingly competitive and changing global business world. Several intake programmes are offered and many courses are formatted and scheduled to fit in with professional commitments. Hindusthan College of Engineering and Technology department of MBA has been designed to cover different stages, where you learn to diagnose issues in real organisation with a focus on marketing, employee engagement, aptitude management and accounting. The learning approach will include relevant and current case studies as well as guest lectures delivered by industry professionals, with an emphasis on teamwork and peer learning.

ASWATHY V : It is a place of learning, fun, culture, literature and many such life preaching activities. Studying at HICET brought an added value to my life. It gave me an opportunity to meet different kind of people and learn a number of things. There is heavy emphasis on class participation and glimpse into the the practical application of the knowledge received. I thank Hindusthan for putting in all the efforts to groom us and make us ready for the corporate world. The campus has excellent infrastructure and is spacious. I thank my professors for their constant encouragement and support. They challenge and push me to be better and to be more creative in my presentation and project. A unique style of pedagogy is followed which allows students to take over the lesson sometimes. Overall I feel that studying here makes a great learning experience and you learn something new every day.

KARGIL RAJ A : Hindusthan College of Engineering and Technology is one of the most valuable and charitable educational institutions in Coimbatore. Our college provides various opportunities to the students for their professional development. Our college has experienced staffs with practical knowledge for the teaching service. They giving their 100% effort's for the students skill development. Our College is most popular for celebrating the cultural program in the academic year. No other college can be compared to our college in that area.
