Placements

Corporate Relations Cell is an integral part of Hindusthan Educational Institutions. It follows a student centric approach to meet the expectations of the corporate world.

The Cell functions throughout the year towards generating placement and training opportunities for the students. It acts as an interface between the students, faculty, and the corporate world to initiate continuous interaction with the industry, sharing the industry experiences and understanding the industry needs.

In its endeavor to maintain a vibrant & proactive academic industry interface the cell initiates "Hifuse-Competency Enhancing Series" where experts from various industries had been invited to interact with our students. The Programmes organized by us enable our students to interact with industry professional with ease, grace and confidence. Taking into account the exposure levels of our students, corporates are sure that they will hire right professional who acquire techniques, skills and aware of world class practices.
