

Hindusthan College of Engineering and Technology

(An Autonomous Institution Affiliated to Anna University, Chennai
Approved by AICTE, New Delhi & Accredited by NAAC with 'A' Grade)
Valley Campus, Pollachi Highways, Coimbatore, Tamilnadu.

AICTE - IDEA LAB

Hindusthan College of Engineering and Technology, Coimbatore takes legitimate pride and has retained a special atmosphere for being conferred as **one among the 49 Engineering Colleges in the country to get AICTE-IDEA lab**. This is aimed at encouraging students for application of Science, Technology, Engineering and Mathematics (STEM) fundamentals on ideas- towards enhanced hands-on experience, learning by doing and even product visualization.

The lab will provide facilities under one roof to convert an idea into a prototype. It will be available round-the-clock to encourage students and faculty to take up creative work. Young students are going to enjoy this facility as a special privilege to cherish.

The central graphic features a glowing yellow lightbulb with radiating lines, positioned over a stack of colorful papers (green, red, yellow, blue). The word 'idea' is written in white lowercase letters on the blue paper, and 'LAB' is written in white uppercase letters on a separate blue rectangular background below it. To the left is the AICTE logo, a gear with 'All India Council for Technical Education' and 'AICTE' text. To the right is the Hindusthan Educational and Charitable Trust logo, featuring a hand holding a torch and the text 'HINDUSTHAN EDUCATIONAL AND CHARITABLE TRUST' and 'HICET'.
