HISTORIA

Vol.20, No.2

January-June 2023

**HINDUSTHAN COLLEGE OF ENGINEERING AND
TECHNOLOGY**

VISION

- To produce Information Technology professionals with robust technical knowledge, creative thinking, and high ethical standards to address global challenges.

MISSION

- DM1: To prepare the students to excel in the dynamic realm of Information Technology through a conducive learning environment.
- DM2: To equip the students with essential innovative skills to solve technical issues and effectively promote interdisciplinary collaboration.
- DM3: To instill ethical integrity in students for successful professional careers and entrepreneurial ventures.

PROGRAM EDUCATIONAL OBJECTIVES (PEOs)

- PEO1: Graduates of the program will be proficient in identifying, formulating and solving complex problems by applying their knowledge of mathematics, science and information technology principles.
- PEO2: Graduates of the program will be capable of analyzing, designing, implementing and managing software projects through continuous learning and use modern tools to meet real world constraints.
- PEO3: Graduates of the program exhibits professionalism with ethical attitude, excellent communication and term spirit to Satisfy society needs.

PROGRAM SPECIFIC OUTCOMES (PSOs)

- PSO-01: Able to design and develop software solutions by employing appropriate problem-solving strategies, including logically thinking, creating a user interface and writing code to connect a front-end user interface with a backend database using a contemporary object-oriented language.
- PSO-02: Ability to design and develop mobile applications and web-based applications, coupled with testing skills fostering employability and entrepreneurship skills
- PSO-03: Apply the appropriate techniques and modern engineering hardware and software tools to engage in life-long learning and to successfully adapt in multi-disciplinary environments.

TECHNICAL EVENTS ORGANIZED

A Seminar On “**Cyber Security : Penetration Testing For Beginners**” was organized on 19.04.2023 & 20.04.2023. This seminar was organized by Dr. Beaulah David, Associate Professor and T.R.Priyadharshini, Assistant Professor. The seminar was handled by Dr. Manibharathi Karunakaran. The main objective of the program is to protect and defend computer systems and networks from cybersecurity attacks, diagnose and investigate cybersecurity events or crimes related to computer systems and digital evidence and to effectively communicate in a professional setting to address information security issues.

Technical Symposium “**TECQUORA 23**” on 14.03.23. The Symposium was organized by Dr. Ganesan Associate Professor and Mr. Illayaraja, Assistant Professor. The event showcased cutting-edge advancements across diverse fields, fostering knowledge exchange and innovation. Attendees engaged in insightful talks, workshops, and competitions, elevating the realm of technology. TECQUORA 23 served as a thriving platform for networking and collaboration, leaving a lasting impact on all attendees.

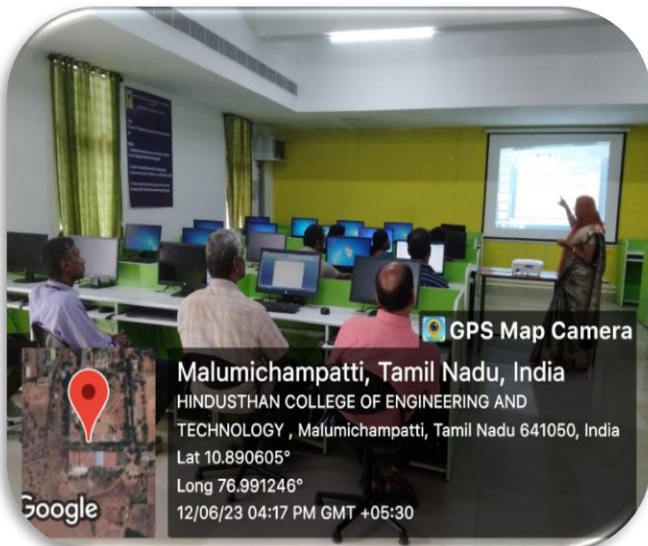

DEPARTMENT OF INFORMATION TECHNOLOGY

Hands on Training on “Professional Development Training for Non-Teaching Staff” On 12.06.2023.

This Training was organized by Ms. Athira S., Assistant Professor, Department of Information Technology. This event gave an overview of office tools like word, excel, powerpoint to the non-teaching staff which help them for documentation works.

DEPARTMENT OF INFORMATION TECHNOLOGY

Outreach Activity “Clean Campus Campaign” organized on 17.06.2023.

Student learnt the concept of team work, involvement and participation. Clean Campus promotes Hygiene. This improves hygiene level in campus and also helps to reduce the spread of sickness, maintaining a clean college environment and sets a good example to students. Cleanliness encourages learners to take pride in their college, which makes them less likely to drop litter and as such they will potentially make a bigger effort to maintain their environment. Cleanliness gives rise to a good character by keeping body, mind, and soul clean and peaceful. Maintaining cleanliness is the essential part of healthy living because it is the cleanliness which helps to improve our personality by keeping clean externally and internally.

DEPARTMENT OF INFORMATION TECHNOLOGY

Webinar on Towards a Sustainable Future on 17.06.2023.

This webinar was organized by Ms. Jency Assistant Professor, Department of Information Technology. The resource person of this session was Dr. V. S. Angulakshmi Assistant Professor, PSGR Krishnammal College for Women Coimbatore. This webinar provided the knowledge about maintaining an ecological balance in our planet's natural environment and conserve natural resources to support the wellbeing of current and future generations. Waste management follows the 4 R's: Reduce, Reuse, Recycle and Recover.

Webinar on “Roles and Responsibilities of Citizen” on 17.06.2023.

This webinar was organized by Ms. R.Amudha Assistant Professor, Department of Information Technology. The Resource person of this event was R.T. Subhalakshmi Assistant Professor, Hindusthan Institute of Technology. In this session students learned about the articles framed in Indian Constitution. This webinar created awareness about the constitution of India and about fundamental rights and duties of citizen.
