ABOUT THE INSTITUTION

Hindustan College of Engineering and Technology (HICET), is an autonomous institution approved by AICTE, and is affiliated to the Anna University, Chennai. The Institution was established in the year 2000. HICET is one of frontline autonomous technical institution imparting quality technical education and is NBA accredited with ISO 9001:2015 certified and NAAC certified with “A++” grade. The Hindustan Educational and Charitable Trust known for its vision, dynamism and philanthropy are run under the eminent and praiseworthy leadership of Shri. T.S.R. Kanniyann, Chairman, Smt. T.R.K. Saraswathi, Secretary, and Dr. K. Priya, Executive Secretary. HICET is currently offering 15 UG and 7 PG Programs in Engineering, Technology and Applied sciences.

DEPARTMENT OF AGRICULTURAL ENGINEERING

The Department of Agriculture Engineering in HICET was started in the year 2018 with the intake of 60 students which offers a UG program (B.E) in Agriculture Engineering. A pragmatic Professional Career in the field of Agriculture Engineering gets knitted with a multi-disciplinary application of the Agricultural Science and Engineering Designs. Any action plan for stabilizing the Agriculture as an Industry should encompass Agricultural Science and Engineering Designs prospective components in tandem with Automation and Mechanization perspectives. This eventually culminates into a value added on-demand professional status for the students aspiring for a formidable career with impeccable earnings after graduation. The motto is set to produce one-step ahead and second to none agriculture engineering professionals, bringing laurels to their alma mater as HICET alumni.

KORSHAN'23

Many intra college events are those which have their own boundaries and they generally used to nurture the buds within their own garland. Here comes Korshan to enrich the blossoms in entire garden. Korshan is a national level inter college technical symposium organized by Agriculture Engineering students. It is now stepping into its first year of edition, to actively inspire the students all over India to reap innovative ideas in the field of agriculture. Many seminar, event and workshop sessions in Korshan will quench the thirst for knowledge. Meanwhile few cultural programs fill the bill for pleasure and festivity.
