### **Aim&Objectives:**

- To strengthen the efforts of the librarian in planning library activities and policies.
- To take the feedback from the departments and plan for improvement and enrichment of the library.
- To act as a liaison between the library and the readers.
- To help librarian to design and formulate the library policies for smooth functioning of the library
- To aid in the establishment a bridge between the Library and the academic fraternity and the institute management.

### **Responsibilities of Library and its members:**

- Library Committee can advise on specific issues, problems and concerns related to central library and make recommendations to the head of institute.
- To supervise the allocation and utilization of funds for different departments for purchase of books and journals for the Central and Departmental libraries
- To consider and put forward the views of faculty members regarding books/journals selection, ordering process etc.
- To consider and put forward the views of students and Research Scholars regarding their problems and solutions sought thereof.
- Scrutinize policies proposed by the Library for their implications for teaching and research in the Faculty of Engineering, business administration, science and other disciplines of the Institute.
- After assessing the needs, necessary measures are taken to update the collection and the library is made user-oriented and user-friendly in its functioning.
- Feedback collected from the staff and students based on requirement of books and journals are analyzed by the library committee and necessary measures are taken immediately.
