Message from the Director's Desk

I am very pleased to see the Department of Management Sciences having completed thirteen years of its existence. We have been awarded the autonomous status by AICTE and Anna University in July 2016. Second batch of students of Autonomous College are getting their degrees successfully. We are continuing to grow with a committed vision to develop students in leadership capabilities and business oriented learning for success in managerial or entrepreneurial ventures with social responsibility. In our campus, students are expected to have an enriching experience which will enable them to reach new heights in their professional life. We foster sharpening of skills and enhancement of knowledge base in our students through various extra-curricular, co-curricular and curricular activities. With very congenial and professional environment, our faculty team makes substantial contribution to the academia through quality teaching, seminars, conferences, etc. I appreciate all the faculty members and student friends for taking part in all the programs and activities in the academic year 2018 – 2019. I also wish our outgoing MBA students the very best in their career and to make significant contributions to the industry in the course of their career.

About Hindusthan Educational and Charitable Trust

Hindusthan Educational and Charitable Trust were established in the year 1992 by an eminent industrialist and philanthropist Thiru T.S.R Khannaiyann, Chairman, Hindusthan Group of companies. The institution is growing from strength to strength as a leading educational institute, providing quality professional education in the field of Engineering, Management, and Science and arts streams. The trust has been carrying out various philanthropic activities like extending financial support to rural poor students, along with welfare measures since its inception.

Hindusthan Institutions now successfully includes

Activities

► **Academic Innovation and Entrepreneurship Development Program (AIEDP):**

Entrepreneurship has taken over the world and shaped how we see an individual or an organization. It has changed lives, families and even nations. Entrepreneurial advancements in any field are regarded as an achievement. The innovation in entrepreneurship has introduced new methods of production and problem-solving with the resources at hand. The reach of Innovation has spread beyond governments and has seeped into the roots of Universities, Colleges, Research Institutions, Laboratories and Companies ranging from small to MNCs. This trend has led to the rise of new leaders- creating cutting-edge technology and marvellous services and have changed the world for the better. Colleges and Universities have taken up the role to

promote and support these innovative ideas. As of Vision 2023 statements of the Government of Tamil Nadu, the Entrepreneurship Development and Innovation Institute have launched a comprehensive program- Academic Innovation and Entrepreneurship Development Program (AIEDP) for entrepreneurship and innovation development for all Colleges, Polytechnics, and ITIs. Abhisheik K: Hindusthan is a place of knowledge and bliss. HICET gives me a platform to push myself and develop my qualities of leadership, self-disciplinary, capacity building and fluency to understand the potentials that was hidden inside me. The relation between faculty and student is very cordial, which gives me an opportunity to excel further.

Irshad M P: As a student of MBA department of HICET, I have lot to deal with between balancing academics and social life, managing stress and happiness tends to fall by the wayside. Being happy should still be a major priority in college.

Muhammed Samil Mustafa: Hindusthan college was splendid and has helped me to grow personally and professionally. I would like to thank all the faculty and staff members for making me a better person.

Sheza Navreen P M: MBA department of Hindusthan college has helped me to focus and perform better in my academics. Our faculty members has made me to be active than before by engaging myself and my classmates are in various managerial as well as non-managerial activities.

Aiswarya R : HICET Business School has helped me to digout the real productive qualities in me. It raised me to the next level of understanding by making me aware about the business in a unique and different perspective.

Abirami N S : Hindusthan college has nurtured and made me more disciplined and helped me to grow professionally but also holistically. It stood as a platform to improve my skills and communication. The faculties have always been supportive and inspiring guides.

MBA Students of 2015-2017 BATCH

MBA Students of 2016-2018 BATCH

MBA Students of 2017-2019 BATCH

Sreejidha K: My MBA program helped me to become an efficient resourceful person to pursue a career in future. The curriculum in MBA was a great experience and a great combination of learning and skill development.

ANANTHA KUMAR K: More than theory class's practical session helps me to gain more knowledge about the subject. The OBT and Industrial Visit which are also begin conducted to attain the practical experience. There are various other department functions like fresher's party, HIMAC, Seminar, National Conference to improve our management skills.

GAYATHIRI B: The study atmosphere is excellent. I have the best education not only studies but also I get lot of opportunities to develop my skills and expose myself.

DEVIKA P A: Excellent exposure to the every kind of facility i.e, lab instrument, library. Internet, Management fest etc.

SARAN K: I was started my journey from 2018 in MBA Department. Successfully across the first year MBA program. I got exposure in communication skills, Professional skill, trading and investment skill from MBA Program. Improving self motivation, Positive thinking, Stratup ideas from the meetings are arranged by department. A safe, Professional, Friendly learning environment. High quality teaching, assessment, and management of learning learned lot from taking this course component. The goals of the course were clear and it achieved to a significant extent. Topics and assignments were relevant to my professional development.

SELVA MANOJ PRABAKAR M: I am Selva Manoj Prabakar. M from 2nd year MBA, Hindusthan College of Engineering and Technology, Coimbatore. I came to this college through sports quota in Basketball. I chose this college because of its infrastructure, co-curricular activities and academics. Our department provides us a good atmosphere to learn new things, help us to improve our communication skills and teach us the ethics to mold our personality. Our college has been a pillar of support for sports, so that it became very encouraging for us to win a lot of tournaments. Thank you for giving me a wonderful opportunity.

AJAY KRISHNAN G: It's a great opportunity to be in a great college like Hindusthan which has a great infrastructure and a nice scenario and makes us to have good surrounding for our academics and extra-curricular activities. The support of faculty is one of the greatest things I have ever experienced in my college life with greatest knowledge.

We are very glad in releasing "GLIMPSES'19". It presents the details of academic performance, co-curricular activities of the department during the academic year 2018-2019. A Heartfelt thanks to the Management, Principal, Staff Members and the Students.
