DEPARTMENT OF MECHATRONICS ENGINEERING

OPTIMUS PRIME

ACADEMIC YEAR 2019 - 2020

FROM THE EDITOR'S DESK

Welcome and best wishes to all who receive this Newsletter. It gives me great opportunity to present the 13th Issue of Optimus Prime. This internal newsletter is one of the ways in which we can disseminate information on the life of the Department. The past semester was full of various activities by the students and faculty in academic, co-curricular, extra-curricular. As you read through the pages you will realize, that the Department had a particularly successful semester. I would like to thank all my colleagues for their tireless efforts to help the department progress at a very steady pace. Our intention is to put out two issues per year, one in the month of May and the other in the month of November. The success of this newsletter depends on your response. We would appreciate your feedback.

**Dr.S.J.Narmadha
Professor & Head**

Department of Mechatronics Engineering.

Associate Editors : M. Karthikeyan, M.E., Assistant Professor/MCT Department
K.Kesavaraj, M.E., Assistant Professor/MCT Department

Student In charges : R.Kalaiarasan, IV MCT A Section
A.Rojar, IV MCT B Section.
