Report for Workshop organized / participated

Name of the Faculty : Mr.K.Kesavaraj and Mr.M.Kumaresan	
Department : Mechatronics Engineering	Designation : Assistant Professor
Nature of the Event: 2 Days workshop	
Category: State Level	
Title : "SELF BALANCING ROBOT"	
Venue : Trailblazers Innovation Hub, Hindusthan college of Engineering & Technology	
No. of Days : 02	Dates : From 26.03.2024 To 27.03.2024
Funded by: Nil	
No. of Participants : 33	Registration charges (if any) : Nil
Name and Designation of Resource Person(s) :	
Mr.K.Kesavaraj Assistant Professor - Mechatronics Engg, Hindusthan college of Engineering & Technology, Coimbatore. Mr.M.Kumaresan Assistant Professor - Mechatronics Engg, Hindusthan college of Engineering & Technology, Coimbatore.	
Outcomes of the Event: Robotics is revolutionizing the future of work in a variety of industries. From manufacturing and logistics to healthcare and education, robots are improving efficiency, productivity, and safety. This workshop was successful in achieving its aim to balance a two-wheeled self balancing autonomous robot based on the inverted pendulum model.	
Remarks and Feedback on the Event: All the speakers are explained everything clearly, It was very informative and provides a comprehensive understanding of the strengths and weaknesses of innovative teaching methods in achieving OBE outcomes. This information can inform continuous improvement efforts and guide future instructional design decisions.

Timestamp	Name	On a scale of 1 to 5, how would you rate your overall satisfaction with the workshop?	Did the workshop meet your expectations? Please explain.	Were the instructions clear and easy to follow throughout the workshop?	How would you rate the level of difficulty of the workshop activities?	Did you encounter any challenges during the workshop? If so, please describe.	Did the workshop provide a sufficient understanding of the principles behind self-balancing robots?	Were the materials and resources provided adequate for completing the workshop activities?	What suggestions do you have for improving future iterations of this workshop?	Would you recommend this workshop to others interested in robotics?

Outcomes of the Event: Engineers will not only secure an internship opportunity but also stand a chance to secure a Pre-Placement Interview (PPI) for an internship with Flipkart in their pre-final year. Flipkart Runway is not just a program it's a gateway to unlocking technology's future by truly empowering women engineers today.	
Remarks and Feedback on the Event: All the speakers explained everything clearly, It was very informative about access to Interviewing Skills workshops, Networking Events, resume-building sessions, expert-led sessions in the tech domain, and more and provides a comprehensive understanding of the flipkart challenge and how to crack the challenges. This information can inform continuous improvement efforts and guide future in coding and program for various challenges.
