Report for POSCO ACT EVENT organized

Name of the Faculty : MR.N..PRASANNA VENKATESAN	
Department : Mechanical Engineering	Designation : Assistant Professor
Name of the Event : POCSO AWARENESS	
Level : College Level	
Mapping with UN SDGs (Tick the relevant) : No poverty (SDG 1), Zero hunger (SDG 2), Good health and well-being (SDG 3), Quality education (SDG 4), Gender equality (SDG 5), Clean water and sanitation (SDG 6), Affordable and clean energy (SDG 7), Decent work and economic growth (SDG 8), Industry, innovation and infrastructure (SDG 9), Reduced inequalities (SDG 10), Sustainable cities and communities (SDG 11), Responsible consumption and production (SDG 12), Climate action (SDG 13), Life below water (SDG 14), Life on land (SDG 15), Peace, justice, and strong institutions (SDG 16), and Partnerships for the goals (SDG 17).	
Venue / Mode : Othakalmandapam Village, Offline	
No. of Days : 1	Dates : 13.01.2025
Funded by : Anna University	
No. of Participants : 22	Registration charges (if any) : Nil
Name and Designation of Resource Person(s) : DR.J.JAYA, PRINCIPAL, HICET	
Outcome : <ul style="list-style-type: none"> Interactive sessions often focus on teaching about “good touch vs bad touch”, empowering children to recognize and report inappropriate behaviour. Campaigns tied to platforms like Childline 1098 and visible signage have made it easier for children to reach authorities when incidents occur . he Act mandates child-friendly procedures in investigations and trials, along with the appointment of support persons and special courts, helping reduce trauma during legal processes 	
Remarks and Feedback on the Event : Key Remarks: While awareness of the POSCO Act has improved in some pockets, it remains fragmented and inconsistent —with only a small fraction of children truly understanding their protections. Success requires a holistic approach : accessible education in schools, empowered and trained adults, robust legal infrastructure, and ongoing evaluation to close the gap between knowledge and secure outcomes.	

Feedback from Participants:

- Increased confidence in addressing abuse
- High retention and improved understanding
- Empowerment through knowledge
