**OFFICE OF THE CONTROLLER OF EXAMINATIONS**

**R 2022**

**SCHEDULE FOR END SEMESTER EXAMINATIONS - NOV/DEC 2026 (III – SEMESTER)**

**ALL UG (B.E /B.TECH.) PROGRAMMES**

**DATE: 09.09.2026**

**ACADEMIC YEAR: 2026-2027 (ODD)**

**TIME: 10:00 AM to 01:00 PM**

| Degree & Branch                                    | Date       | Day      | Course Code | Course Name                                         |
|----------------------------------------------------|------------|----------|-------------|-----------------------------------------------------|
| B.E Mechanical Engineering                         | 22.10.2026 | Thursday | 22MA3105    | Fourier Series and Transforms                       |
|                                                    | 27.10.2026 | Tuesday  | 22ME3201    | Engineering Thermodynamics                          |
|                                                    | 29.10.2026 | Thursday | 22ME3202    | Engineering Materials and Metallurgy                |
|                                                    | 03.11.2026 | Tuesday  | 22ME3203    | Electrical Drives and Control                       |
|                                                    | 05.11.2026 | Thursday | 22ME3204    | Manufacturing Technology-I                          |
|                                                    | 12.11.2026 | Thursday | 22ME3251    | Fluid Mechanics and Machinery                       |
| B.E Mechatronics Engineering                       | 22.10.2026 | Thursday | 22MA3105    | Fourier Series and Transforms                       |
|                                                    | 27.10.2026 | Tuesday  | 22MT3201    | Industrial Motor Control                            |
|                                                    | 29.10.2026 | Thursday | 22MT3202    | Solid and Fluid Mechanics                           |
|                                                    | 03.11.2026 | Tuesday  | 22MT3203    | Digitronics                                         |
|                                                    | 05.11.2026 | Thursday | 22MT3251R   | Manufacturing Process                               |
| B. TECH Information Technology                     | 22.10.2026 | Thursday | 22MA3101    | Applied Statistics and Queueing Theory              |
|                                                    | 27.10.2026 | Tuesday  | 22CS3205    | Computer Networking and Protocols                   |
|                                                    | 29.10.2026 | Thursday | 22IT3202R   | Operating System                                    |
|                                                    | 03.11.2026 | Tuesday  | 22IT3203    | Digital Principles and Computer Organization        |
| B.E Bio-Medical Engineering                        | 22.10.2026 | Thursday | 22MA3151    | Statistics and Numerical Methods with R Programming |
|                                                    | 27.10.2026 | Tuesday  | 22BM3203    | Medical Biochemistry                                |
|                                                    | 29.10.2026 | Thursday | 22BM3251    | Digital Electronics                                 |
|                                                    | 03.11.2026 | Tuesday  | 22BM3201    | Signals and Systems                                 |
|                                                    | 05.11.2026 | Thursday | 22BM3204    | Human Anatomy and Physiology                        |
|                                                    | 12.11.2026 | Thursday | 22BM3202    | Electron Devices and Circuits                       |
| B. TECH Food Technology                            | 22.10.2026 | Thursday | 22MA3107    | Numerical Methods                                   |
|                                                    | 27.10.2026 | Tuesday  | 22FT3201    | Food Microbiology                                   |
|                                                    | 29.10.2026 | Thursday | 22FT3203R   | Fluid Mechanics                                     |
|                                                    | 03.11.2026 | Tuesday  | 22FT3204R   | Principles of Thermodynamics                        |
|                                                    | 05.11.2026 | Thursday | 22FT3205    | Food Chemistry                                      |
| B. TECH Chemical Engineering                       | 22.10.2026 | Thursday | 22MA3107    | Numerical Methods                                   |
|                                                    | 27.10.2026 | Tuesday  | 22CH3201    | Chemical Process Calculations                       |
|                                                    | 29.10.2026 | Thursday | 22CH3202    | Fluid Flow Operations                               |
|                                                    | 03.11.2026 | Tuesday  | 22CH3203    | Chemical Engineering Thermodynamics – I             |
|                                                    | 05.11.2026 | Thursday | 22CH3251    | Mechanical Operations                               |
|                                                    | 12.11.2026 | Thursday | 22ME3253    | Basic Mechanical Engineering                        |
| B. TECH Artificial Intelligence & Machine Learning | 22.10.2026 | Thursday | 22MA3106    | Discrete Mathematics                                |
|                                                    | 27.10.2026 | Tuesday  | 22CS3205    | Computer Networking and Protocols                   |
|                                                    | 29.10.2026 | Thursday | 22AI3203    | Microprocessor and Embedded Systems                 |
|                                                    | 03.11.2026 | Tuesday  | 22AI3204    | Artificial Intelligence Techniques and Algorithms   |
