DEPARTMENT OF SCIENCE AND HUMANITIES

A YEARLY NEWSLETTER

GLIMPSES '21 - 22

ABOUT SCIENCE AND HUMANITIES DEPARTMENT

The Department of Science and Humanities started functioning from the very inception of the institution. It aims at providing competitive quality education and support the students to set basic intense foundation in all the branches of Engineering. It is a multidisciplinary department and started functioning in the year 2000 with a team of dedicated faculty members who have been actively engaged in imparting quality teaching of the courses in basic science and humanities for graduating engineering students. The core courses offered being Physics, Chemistry, Mathematics, English and Environmental science. All the disciplines in the department exist as a separate division and maintain individual identity. Besides OUTCOME BASED EDUCATION, the department inculcates VALUE BASED EDUCATION. Developing the moral behavior among the students, utilizing the human resources and co-ordinating academic responsibilities are the exclusive potentials of the department. The department has spacious and best equipped laboratories in, Physics, Chemistry and English. The department aims to transfer the younger generation into responsible citizens and aspires to lead the budding engineers towards the path of success.

Dr. K. P. Uma
Prof & Head

Science and Humanities Department

It seeks to sustain and enhance excellence in an institution of higher learning of technology. It is committed to produce competent graduates with the suitable skills required for industry and market place adding to provide better communication skills and societal obligations. To expose the students to the latest trends in relevant subjects, the department organizes a series of guest lectures every academic year. To keep abreast with the latest demands of the industry the department strives to impart various skills like communication skills, technical skills, soft skills and essential life skills to the young aspirants of the institution. The department is committed to provide innovative and high quality instruction that empowers students to become confident in facing personal and professional life challenges.

ORIENTATION PROGRAMME FOR FIRST YEAR STUDENTS 2021-22

The orientation programme for first year students was conducted on NOV 10 th 2021 with the strength of more than thousand hundred students. The occasion was graced by the presence of our secretary Tmt.Saraawathi kannaiyan .The programme was started blissfully with lightening of lamp and prayer song.

When our Secretary was addressing the gathering, she assured the parents that she would look after their wards as her own children. The principal introduced the Head of various Departments to first year students and she briefed the facilities available in the campus and appealed to the students to make use of them appropriately.

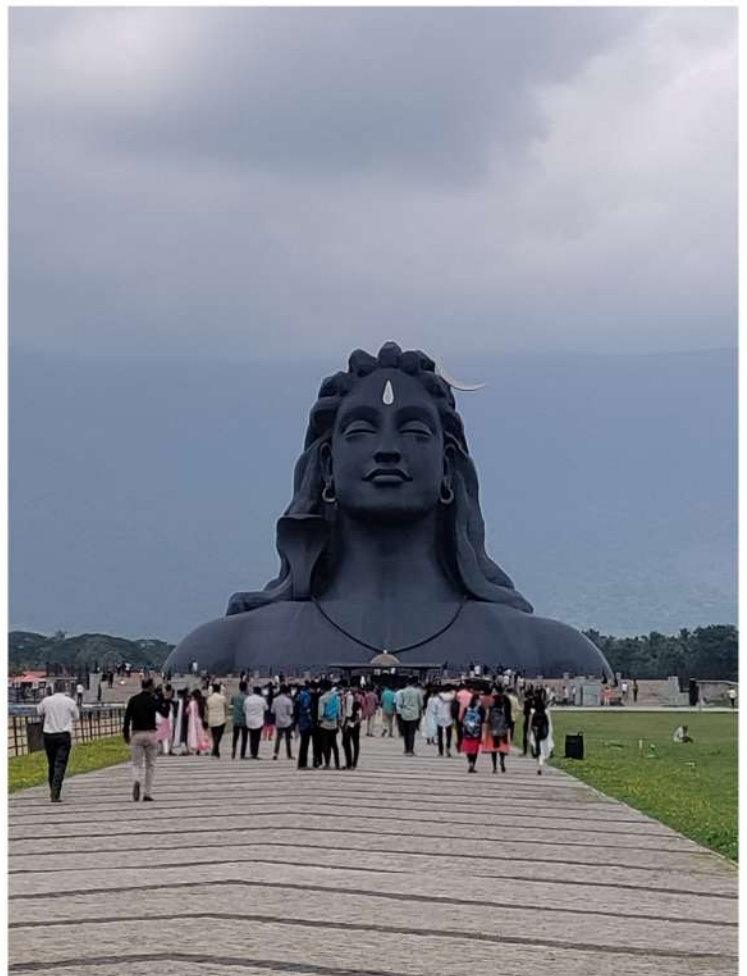

CEO Dr.K.KARUNAKARAN welcomed all first year students and advised them to follow the rules and regulations of this college ,and instructed them to understand their values and responsibilities. The Dean Academics Dr.P.N.Magudeeswaran delivered vote of thanks.

First year students Field Trip to isha yoga

“The journey of a thousand miles begins with a single step.”

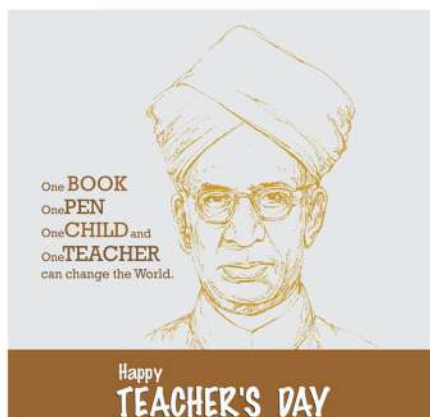

“Journey to enter the world of mystical power”

Teacher's Day Celebration

The Department of Science and Humanities celebrated TEACHER'S DAY on 06/09/2021. **Dr.K.P.UMA** HEAD DEPT OF S & H welcomed all Teachers , Resource persons ,Principal & Dean. **Dr.K.KARUNAKARAN** ,CEO. PRINCIPAL INAUGURATED THE FUNCTION .He highlighted the potential of teaching and advised everyone to be role model to students. The Department of Science and Humanities along with Orient Life Insurance together organized this function in order to felicitate all teachers on this auspicious day. Resource Persons Mrs.Geetha Branch Manager, Mr.Raja Agency dev manager, **Mr.Pritjivraj Channel Dev Manager** ,felicitated all teachers by providing a memento.

Dr.MAGUDEESWARAN, DEAN Academics,honoured all teachers by giving memento. **Dr.K.V.GIRIJA**, DEPT OF MATHS DELIVERED VOTE OF THANKS. The function was successful with the co operation of all student volunteers.

"Teaching is a very noble profession that shapes the character, caliber, and future of an individual. If the people remember me as a good teacher that will be the biggest honour for me."

-A. P. J. Abdul Kalam-

National Science day Celebration

The Department of Science and Humanities conducted National science day programme on 28/02/2020. The chief guest of the programme was **Dr.N.VIJAYAN** who was excellently handled the session. He rendered his expertise to the betterment of student community. The programme was highly motivating and impressive to students and to their studies. This programme motives the students to do research on science activities. All the faculty members, Hods and students of various departments were invited to attend the programme. The Head of the Department of Science and Humanities welcomed all the gathering and delivered a speech on importance science and she thanked the students for their performance and participation in the event. Dr. S. Balamurali Dept. of Physics coordinator of the programme delivered vote of thanks.

Communication strategies for Effective classroom interaction

In order to enhance students communication skill, This programme was organised by department of English. The resource person of the program is Dr. D. David Wilson, M.A., M.Phil., Ph.D, . He highlighted four basic skills, listening, speaking, reading and writing. The outcome of the event was Communication is key in the classroom: successful learning is generally considered to require only 50% knowledge to 50% communication skills. As a result, a student should be proficient in all four modes of communication – listening, speaking, reading, and writing – and should know how to utilise this proficiency effectively in a college environment. The program was conducted on 26th april 2022. This program was highly impressive and motivative
