

JULY, 2025

Re Constitution of

SPECIAL TALENTS CLUB:-

YEAR OF ESTABLISHMENT : 2020-2021

Objectives:

- 1) To bring out the hidden inner talents of students.
- 2) To provide opportunities for students to explore new activities and skills while interacting with like-minded students from different levels.
- 3) To motivate and encourage the students in the form of competitions and workshops for igniting the spark of interest present in the budding engineers and to hone their skills towards showcasing their talents.
- 4) To encourage students to develop inter- and intrapersonal skills.

Activities:

1. Competitions related to Special Talents include martial arts, Monoact, music (strings, piano, drums) Culinary, knitting, sketching, Painting, Mimicry, etc..
2. A chance to unleash their potential in various competitions held inside and outside the campus.
