Objectives

The objective of a Hostel Maintenance Committee of HiCET is to ensure that the hostel facilities are well-maintained and functioning properly. The committee is responsible for identifying maintenance needs and overseeing the repair and upkeep of the hostel buildings, rooms, kitchen, dining hall, common areas, and amenities.

Activities

- To monitor the students welfare in the hostel and if any problems are identified, it should be rectified as soon as possible.
- Meetings with student representatives are conducted monthly once.
- Electrical, plumbing and any other maintenance should be done as soon as possible.

Meeting

- Twice in a year
