

Mr.Kamaleshwar Rao.S (2014-2018 Batch) has secured 297<sup>th</sup> rank in the Final UPSC Examinations.

#### Meera, first Badaga woman to become naval officer

B. RAVICHANDRAN I DC OOTY, MAY 29

R. Meera, hailing from Achanakal village near here, has become the first woman naval officer from Badagas, the single largest ethnic community in the Nilgiris. The villagers celebrated her rare achievement when she arrived at her native village on Sunday.

Ravindranath alias Sundar has worked in the army hospital wing as a technical assistant, Meera, who started her education ambition for a career in at the Kendra Vidyalaya in the Indian armed forces Aruvankadu near here, made her take the went on to study in the Combined Kendra Vidyalayas at Services examination. Pune, Delhi and Jammu before joining engineering nation, she also sailed at Hindustan Engineering through the interview at

R.Meera, the first woman naval officer from Badaga community, with her parents.

completing her BE, her After clearing the exami-

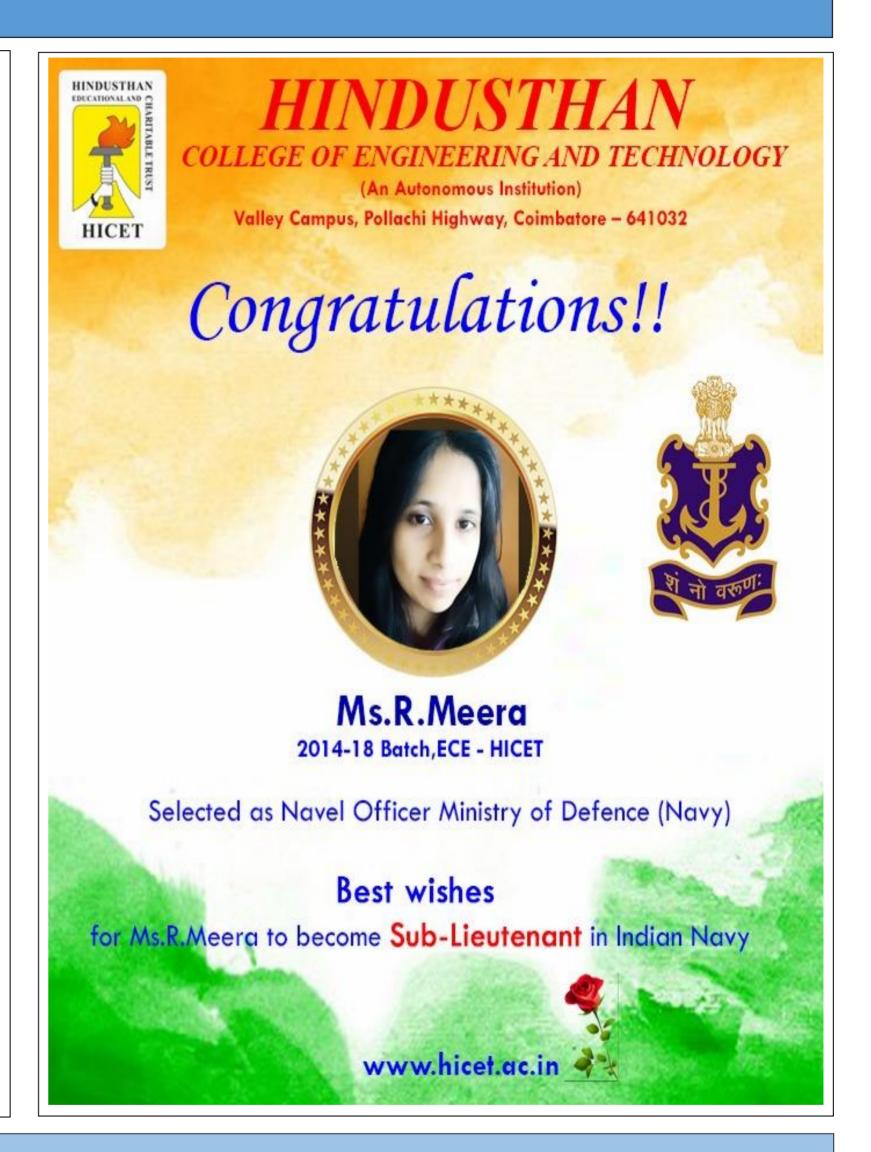

College, Coimbatore. After the staff selection board and was selected to join the Indian Navy.

> weeks of training, she Defence passed out of the Indian is a Naval Academy Ezhimala, Kerala, to become a sub-lieutenant to join duty in the naval

armament inspectorate cadre in Kochi. She has thus become the first woman naval officer from the Badaga community.

Meera said her life with her parents in north India helped her learn Hindi well and the army environ-ment in which she lived gave her the confidence to try her luck in the armed forces. "Now, I feel proud. There are ample job opportunities for women in the armed forces. Women need to develop confidence and courage to take up a career in the armed forces and After completing 22 serve the nation. To be in the defence services itself

> special pride. They should also develop a strong will to achieve their goals," she added.

R.Meera (2014-2018 batch) has been selected as Naval officer -Ministry of defence. She is the first woman naval officer from Badagas.
