Objectives

- Promoting the sport of motorsports
- Providing a community for motorsports enthusiasts
- Supporting members in their motorsports endeavors
- Advocating for motorsports safety and responsible driving
- Contributing to the motorsports community

Activities

Organizing a motorsports club can indeed be an exciting and engaging experience for students passionate about cars and racing. Here are some planned activities for the motorsports club: Track Days, Go-Kart Racing, Car Meets and Shows, Autocross Events, Workshops and Seminars, DIY Car Repair Sessions, Motorsports-themed Talks and Debates, as well as training and internships.

Meeting

Once in a Semester
